## **Initial Terms and Conditions**

**In completing and signing this application form for either yourself or a minor you hereby agree, accept and give your permission for the following.**

The chief instructor reserves the right to decline applications or renewals for membership without giving a reason.

It is parents, carers, guardians or pupil's responsibility to ensure licenses are renewed annually and on time, Ensuring governing body membership and that your member to member insurance remains valid.

Authorised club instructors or event coaches can act in 'Loco Parentis' in the best interest of a child. (This means having parental authority over the child whilst its parent, carer or guardian is not in attendance).

Authorised club instructors or event coaches can administer first aid, call emergency services, transport children to hospital, home, or to wherever necessary in the best interest of the child.

Those applicants (seniors or juniors) agree to abide by the constitution and rules of the TKU.

That as a senior, parent, carer, or guardian you will work with the TKU in promoting and developing the child protection policy within relevant Governing Body guidelines.

All members may occasionally be included in club photos or videos for the purpose of recording their's or others achievements within karate (awards, competitions, events etc).

That by its nature karate will necessitate a degree of limited physical contact between all pupils and also instructors, for the purpose of demonstrating and executing specific techniques, in sparring, pair work, competition, self defence, etc.

In all aspects of pupils training, an instructor's decision is final.

Parents, carers, guardians are wholly responsible for ensuring children's safety and welfare when travelling to and from clubs, right up to the point of commencement and immediately upon cessation, of every training session.

The TKU reserves the right, to request if it deems necessary, Doctors verification that certain club members are able to continue training with medical conditions. If medical conditions affect your training you must immediately notify your instructor and seek medical advice.

Pupils must abide by the TKU rules and Dojo etiquette, details of which can be found in gradings booklets or at the TKU web site [www.tokuikarateunion.co.uk](http://www.tokuikarateunion.co.uk)

**If you require any clarification or more details on any information contained on either side of this document do not hesitate to ask any of our instructors.**
